Assignment I: Assignment name

Wisdom of the Land

Section for Clinical Epidemiology and Biostatistics

Research

- Things take time, so start early (Get Research Topic in RACE 603)
- Get ahead, do not be running to catch up
- Keep in regular contact with your supervisors
- Focus on your research, it is your first priority
- If in doubt, ask – telephone or email for an appointment and keep to it

Section for Clinical Epidemiology and Biostatistics

Responsibility

- If you make an appointment keep to it
- You are responsible for your learning
- Our role is to coach – we guide you, but do not do it for you
- Do not give us anything less than your best
- Prepare for your classes, and attend on time, send your work on time
- If you do not understand, ask

Section for Clinical Epidemiology and Biostatistics

Communications

- Telephone or email us to make sure we are available when you want an appointment
- Emails that do not have a subject and a complete message will be returned to sender
- If we send you an email, reply to it
- If your question is administrative try our friendly staff
- Talk to us often, we like to keep in touch with your progress

Attitude

- Prepare yourself
- Organise yourself
- Fresh, active and self motivated
- Healthy lifestyle
- Positive
- Professional
- Respectful
- Reflective

Section for Clinical Epidemiology and Biostatistics

Housekeeping

- We do not have a maid
- If you make a mess, clean it
- Leave everything as you would wish to find it
- We are not here to make you a drink or fetch you food – please do it yourself
- If you use something, clean it after use
- If you do not know, do not guess – ask
- Switch off air and close the door if you are the last out
