

TRS 2025: 7-8th August 2025

Day 1	Room 1	Room 2	Room 3 (Nurse)
7.30-8.25	<i>Registration</i>		
8.25-8.30	<i>Welcome Speech</i>		
8.30-9.15	<i>Keynote Speaker International speaker</i>		
9.15-9.55	<i>Morning Symposium</i>		
9.55-10.10	<i>Break</i>		
10.10-10.55	Current trends in Immunotherapy for Allergic Rhinitis	Appropriate Medical Therapy in CRS. How many options do we have?	Nurse topic
10.55-11.35	Molecular allergology for allergic diagnosis and therapeutic immunotherapy	Strategies for Peri- and Postoperative Management of chronic rhinosinusitis	Nurse topic
11.35-11.50	<i>Booth exhibition</i>		
11.50-12.30	<i>Lunch Symposium 1</i>		
12.30-13.10	<i>Lunch Symposium 2</i>		
13.10-13.25	<i>Booth exhibition</i>		
13.25-14.05	Dive into Pathophysiology of Chronic sinusitis	Olfaction and brain connections	Nurse topic
14.05-14.45	Real world evidence of biologics	Management in Complications of ESS	Nurse topic
14.45-15.00	<i>Break</i>		
15.00-15.45	Cracking the code of chronic rhinitis in children: the role of allergy testing	Impact of Extent of Endoscopic sinus surgery	Nurse topic
15.45-16.30	Allergen immunotherapy and biologics: When and how	Rhinologic Impact on Sleep quality	Nurse topic

Day 2	Room 1 (Allergy and Rhinology)	Room 2 (Sinus and skull base surgery)	Room 3 (International speakers)
7.45-8.30	<i>Keynote Speaker</i>		
8.30-9.10	<i>Film FESStival</i>		
9.10-9.50	<i>Morning Symposium</i>		
9.50-10.05	<i>Break</i>		
10.05-10.50	Pathomechanism of CRSwNP based on immunologic aspect	Reconstruction for CSF leak from tiny hole to Large defect	Current evidences of switching biologics for chronic airway inflammation
10.50-11.35	Long term effect of allergen immunotherapy in local respiratory allergy	Update in Nasopharyngeal Cancer	Future therapeutic strategies for olfactory disorders: electrical stimulation, stem cell therapy, transplantation of olfactory epithelium
11.35-11.50	<i>Booth exhibition</i>		
11.50-12.30	<i>Lunch Symposium 3</i>		
12.30-13.10	<i>Lunch Symposium 4</i>		
13.10-13.25	<i>Booth exhibition</i>		
13.25-14.05	AFRS and Invasive fungal sinusitis	How I do it: Transpterygoid approach to infratemporal and Meckel's cave	International session
14.05-14.50	Extended sphenoid sinus surgery	Endoscopic endonasal orbital surgery	International session
14.50-15.05	<i>Break</i>		
15.05-15.45	Comprehensive evaluation and management of late complication after rhinology procedure	Management of nasal and facial trauma (Facial plastic)	Sinonasal Malignancy Round Table 1
15.45-16.30	How to differentiate primary headache disorder from CRS?	Posttraumatic Complications in Rhinology	Sinonasal Malignancy Round Table 2
