

# CONTENTS

How to Use This Book .....	xi
<b>Chapter 1. Preoperative Evaluation</b> .....	1
Case 1: Preoperative Assessment for Low-Risk Patients .....	1
Case 2: Preoperative Assessment for High-Risk Patients .....	5
Case 3: Malignant Hyperthermia Syndrome .....	8
<b>Chapter 2. Hemodynamic Instability</b> .....	11
Case 1: Septic Shock .....	11
Case 2: Hypovolemic Shock .....	17
Case 3: Hemorrhagic Shock .....	21
Case 4: Anaphylaxis .....	26
Case 5: Cardiogenic Shock .....	31
<b>Chapter 3. Neurologic Emergencies and Head Trauma</b> .....	35
Case 1: Epidural Hematoma .....	35
Case 2: Subdural Hematoma .....	41
Case 3: Subarachnoid Hemorrhage .....	45
Case 4: Idiopathic Intracranial Hypertension .....	50
Case 5: Normal-Pressure Hydrocephalus .....	53
Case 6: Syringomyelia .....	56
Case 7: Epidural Abscess .....	58
Case 8: Posterior Communicating Artery Aneurysm .....	63
<b>Chapter 4. Trauma</b> .....	67
Case 1: Pneumothorax .....	67
Case 2: Pericardial Tamponade .....	71
Case 3: Penetrating Abdominal Trauma .....	76

<b>Chapter 5. General Abdominal Surgery</b> .....	79
Case 1: Splenic Flexure Syndrome.....	79
Case 2: Appendicitis.....	83
Case 3: Diverticulitis.....	87
Case 4: Small Bowel Obstruction.....	91
<b>Chapter 6. Endocrine</b> .....	95
Case 1: Pituitary Disease.....	95
Case 2: Hyperparathyroidism.....	100
Case 3: Pheochromocytoma.....	105
Case 4: Gastrinoma.....	110
Case 5: Glucagonoma.....	114
Case 6: Insulinoma.....	117
<b>Chapter 7. Esophageal Disorders</b> .....	121
Case 1: Gastroesophageal Reflux Disease.....	121
Case 2: Boerhaave's Syndrome.....	127
Case 3: Mallory-Weiss Tear.....	131
Case 4: Achalasia.....	135
Case 5: Esophageal Cancer.....	139
Case 6: Zenker's Diverticulum.....	142
Case 7: Steakhouse Syndrome.....	145
<b>Chapter 8. Stomach</b> .....	149
Case 1: Upper Gastrointestinal Bleed.....	149
Case 2: Perforated Gastric Ulcer.....	157
Case 3: Mucosa-Associated Lymphoid Tissue Lymphoma.....	161
Case 4: Stomach Cancer.....	167
<b>Chapter 9. Colon</b> .....	173
Case 1: Colon Cancer.....	173
Case 2: Toxic Megacolon.....	177

Case 3: Volvulus .....	181
Case 4: Acute Mesenteric Ischemia .....	184
Case 5: Ischemic Colitis .....	188
Case 6: Chronic Mesenteric Ischemia .....	191
<b>Chapter 10. Biliary Tract</b> .....	193
Case 1: Biliary Colic .....	193
Case 2: Acute Cholecystitis .....	196
Case 3: Cholangitis .....	201
Case 4: Pancreatitis .....	204
<b>Chapter 11. Urology</b> .....	209
Case 1: Benign Prostatic Hyperplasia .....	209
Case 2: Kidney Stones .....	213
Case 3: Bladder Cancer .....	217
Case 4: Prostate Cancer .....	219
Case 5: Testicular Cancer .....	224
<b>Chapter 12. Cardiovascular System</b> .....	227
Case 1: Abdominal Aortic Aneurysm .....	227
Case 2: Aortic Dissection .....	231
Case 3: Peripheral Vascular Disease .....	236
Case 4: Pulmonary Embolism .....	240
<b>Chapter 13. Orthopedics</b> .....	245
Case 1: Carpal Tunnel Syndrome .....	245
Case 2: Fat Embolism .....	249
Case 3: Compartment Syndrome .....	251
Case 4: Anterior Cruciate Ligament Injury .....	254
Case 5: Achilles Rupture .....	256
Case 6: Ruptured Baker's Cyst .....	258
Case 7: Hip Fracture .....	261
Case 8: Morton's Neuroma .....	264

<b>Chapter 14. Ophthalmology</b> .....	267
Case 1: Open-Angle Glaucoma.....	267
Case 2: Angle-Closure Glaucoma.....	270
Case 3: Retinal Vein Occlusion.....	273
Case 4: Central Retinal Artery Occlusion .....	275
Case 5: Retinal Detachment.....	278
Case 6: Macular Degeneration.....	280
Case 7: Diabetic Retinopathy.....	283
Case 8: Orbital Cellulitis.....	285
<b>Chapter 15. Dermatologic Diseases</b> .....	289
Case 1: Cellulitis .....	289
Case 2: Necrotizing Fasciitis.....	293
Case 3: Skin Cancer.....	296
<b>Chapter 16. Postoperative Complications</b> .....	299
Case 1: Wound.....	299
Case 2: Water .....	302
Case 3: Walking.....	304
Case 4: Wound .....	307
Case 5: Deep Wound.....	309
Case 6: Wonder .....	312
Index.....	315
