Series editor foreword . . . . .	v	<b>6. Pelvic pain and dyspareunia . . . . .</b>	<b>43</b>
Preface . . . . .	vii	Differential diagnosis . . . . .	43
Dedication . . . . .	ix	History . . . . .	43
<b>1. Taking a history . . . . .</b>	<b>1</b>	Examination . . . . .	45
The patient's details . . . . .	1	Investigations . . . . .	46
Presenting complaint . . . . .	1	<b>7. Fibroids . . . . .</b>	<b>49</b>
History of presenting complaint . . . . .	1	Symptoms of uterine fibroids . . . . .	49
Past gynaecological history . . . . .	4	Complications . . . . .	49
Past obstetric history . . . . .	5	Examination . . . . .	50
Past medical history . . . . .	5	Investigations . . . . .	50
Systems enquiry . . . . .	5	Treatment . . . . .	51
Drug history . . . . .	5	<b>8. Endometriosis . . . . .</b>	<b>53</b>
Allergies . . . . .	5	Aetiology . . . . .	53
Family history . . . . .	5	Sites of endometriosis . . . . .	54
Social history . . . . .	5	Symptoms . . . . .	54
<b>2. Antenatal booking and prenatal diagnosis . . . . .</b>	<b>9</b>	Infertility . . . . .	56
Antenatal booking . . . . .	9	Clinical signs . . . . .	56
Prenatal diagnosis . . . . .	14	Investigations . . . . .	56
<b>3. Examination . . . . .</b>	<b>17</b>	Differential diagnosis . . . . .	56
General examination . . . . .	17	Complications . . . . .	56
Abdominal examination . . . . .	17	Treatment . . . . .	56
Pelvic examination . . . . .	20	<b>9. Benign ovarian tumours . . . . .</b>	<b>59</b>
<b>4. Common investigations . . . . .</b>	<b>27</b>	Incidence . . . . .	59
Bedside tests . . . . .	27	Aetiology . . . . .	59
Cervical cytology . . . . .	27	History . . . . .	60
Colposcopy . . . . .	27	Examination . . . . .	61
Imaging techniques . . . . .	28	Investigations . . . . .	61
Hysteroscopy and pipelle biopsy . . . . .	30	Management of a benign ovarian tumour . . . . .	61
Laparoscopy . . . . .	31	<b>10. Gynaecological malignancies . . . . .</b>	<b>63</b>
Urodynamics . . . . .	31	Introduction . . . . .	63
<b>5. Abnormal uterine bleeding . . . . .</b>	<b>33</b>	Ovarian cancer . . . . .	63
Menorrhagia . . . . .	33	Endometrial cancer . . . . .	65
Intermenstrual and postcoital bleeding . . . . .	38	Uterine sarcoma . . . . .	66
Postmenopausal bleeding . . . . .	39	Cervical cancer . . . . .	67
		Vulval cancer . . . . .	68
		Vaginal tumours . . . . .	70

<b>11. Vulval disease . . . . .</b>	<b>71</b>	<b>16. Gynaecological endocrinology . . . . .</b>	<b>99</b>
Symptoms . . . . .	71	Amenorrhoea . . . . .	99
History . . . . .	71	Precocious and delayed puberty . . . . .	104
Examination . . . . .	71	Hirsutism and virilism . . . . .	106
Common causes . . . . .	73	<b>17. Menopause . . . . .</b>	<b>111</b>
Investigations . . . . .	73	Definitions . . . . .	111
Vulval dystrophies . . . . .	74	Pathophysiology . . . . .	111
Neoplasia . . . . .	74	Clinical features . . . . .	111
Dermatological conditions . . . . .	75	Contraception . . . . .	114
<b>12. Vaginal discharge . . . . .</b>	<b>77</b>	Osteoporosis . . . . .	115
Differential diagnosis . . . . .	77	Premature menopause (premature ovarian failure) . . . . .	115
History . . . . .	77	<b>18. Subfertility . . . . .</b>	<b>117</b>
Examination . . . . .	78	Introduction . . . . .	117
Investigation . . . . .	78	Taking the history . . . . .	117
<b>13. Pelvic inflammatory disease . . . . .</b>	<b>81</b>	Examination . . . . .	119
Definition . . . . .	81	Investigation . . . . .	119
Incidence . . . . .	81	Treatment . . . . .	121
Aetiology . . . . .	81	Risks of assisted reproductive techniques . . . . .	123
Diagnosis . . . . .	81	<b>19. Contraception, sterilization and unwanted pregnancy . . . . .</b>	<b>125</b>
History . . . . .	81	Introduction . . . . .	125
Examination . . . . .	82	Natural family planning methods . . . . .	125
Investigations . . . . .	83	Barrier methods . . . . .	125
Complications . . . . .	83	Hormonal contraception . . . . .	126
Treatment . . . . .	83	Intrauterine contraceptive devices and MIRENA intrauterine system . . . . .	127
Prevention . . . . .	84	Female sterilization . . . . .	128
<b>14. Urinary incontinence . . . . .</b>	<b>85</b>	Male sterilization . . . . .	129
Incidence . . . . .	85	Contraception and breast-feeding . . . . .	129
Aetiology . . . . .	85	Postcoital contraception (emergency contraception) . . . . .	129
Complications . . . . .	87	Termination of pregnancy . . . . .	129
History . . . . .	87	<b>20. Early pregnancy complications . . . . .</b>	<b>131</b>
Examination . . . . .	88	Bleeding and/or pain in early pregnancy . . . . .	131
Investigations . . . . .	88	History . . . . .	131
Other investigations . . . . .	89	Examination . . . . .	132
Treatment . . . . .	89	Investigation . . . . .	133
<b>15. Genital prolapse . . . . .</b>	<b>93</b>	Miscarriage . . . . .	133
Definition . . . . .	93	Recurrent miscarriage . . . . .	135
Incidence . . . . .	93	Ectopic pregnancy . . . . .	135
Pelvic anatomy . . . . .	93	Trophoblastic disease . . . . .	137
Aetiology of genital prolapse . . . . .	93		
History . . . . .	95		
Examination . . . . .	95		
Investigation . . . . .	96		
Management . . . . .	96		

<b>20. Antepartum haemorrhage . . . . .</b>	<b>139</b>	History . . . . .	167
Definition . . . . .	139	Examination . . . . .	167
Incidence . . . . .	139	Investigation . . . . .	168
Aetiology . . . . .	139	Management . . . . .	170
History . . . . .	139	<b>26. Large or small for dates in pregnancy . . . 171</b>	
Examination . . . . .	139	Differential diagnosis . . . . .	171
Investigations . . . . .	140	History . . . . .	171
Placenta praevia . . . . .	140	Examination . . . . .	172
Placental abruption . . . . .	142	Investigation . . . . .	172
Vasa praevia . . . . .	143	<b>27. Stillbirth. . . . . 175</b>	
Circumvallate placenta . . . . .	143	Introduction . . . . .	175
Unexplained antepartum haemorrhage . . . 143		Definitions . . . . .	175
<b>21. Hypertension in pregnancy . . . . . 145</b>		Incidence . . . . .	175
Introduction . . . . .	145	Diagnosis . . . . .	175
History taking . . . . .	145	Telling the parents . . . . .	175
Examination . . . . .	146	History . . . . .	175
Investigations . . . . .	146	Examination . . . . .	176
Treatment . . . . .	147	Investigations . . . . .	176
<b>23. Medical disorders in pregnancy. . . . . 151</b>		Management . . . . .	177
Introduction . . . . .	151	After delivery . . . . .	177
Anaemia . . . . .	151	<b>28. Labour . . . . . 179</b>	
Asthma . . . . .	151	Onset of labour . . . . .	179
Diabetes . . . . .	152	Normal progress in labour . . . . .	179
Epilepsy . . . . .	153	Delivery of the fetus . . . . .	182
Thyroid disease . . . . .	154	Management of the first stage of labour . . 184	
Gastrointestinal disorders . . . . .	155	Management of the second stage of labour . . . . .	184
Acute fatty liver of pregnancy . . . . .	156	Management of the third stage of labour . . 185	
Thromboembolism . . . . .	156	Induction of labour . . . . .	186
Cerebral vein thrombosis . . . . .	157	<b>29. Preterm labour. . . . . 189</b>	
Human immunodeficiency virus . . . . .	157	Preterm labour . . . . .	189
Psychiatric illness . . . . .	158	Incidence . . . . .	189
Substance abuse . . . . .	159	History and examination . . . . .	190
<b>24. Multiple pregnancy . . . . . 161</b>		Investigation . . . . .	190
Incidence . . . . .	161	Management . . . . .	191
Diagnosis . . . . .	161	Preterm prelabour rupture of membranes . 192	
Aetiology . . . . .	161	<b>30. Other complications of labour . . . . . 195</b>	
Complications . . . . .	163	Malpresentation . . . . .	195
Intrapartum management of a twin pregnancy . . . . .	164	Failure to progress in labour . . . . .	199
Higher-order multiple pregnancies . . . . .	165	Management of failure to progress . . . . .	201
<b>25. Abdominal pain in the second and third     trimesters of pregnancy . . . . . 167</b>		Shoulder dystocia . . . . .	201
Differential diagnosis of abdominal pain in pregnancy . . . . .	167	<b>31. Fetal monitoring in labour . . . . . 203</b>	
		Fetal monitoring in labour . . . . .	203

Features of the cardiotocograph . . . . .	203	Lactation . . . . .	219
Physiology . . . . .	204	Postnatal infection . . . . .	220
Monitoring uterine contractions . . . . .	205	Postnatal mental illness . . . . .	220
History of the patient who presents with an abnormal cardiotocograph in labour . . . . .	205	Thromboembolic disease . . . . .	222
Examination of the patient who presents with an abnormal cardiotocograph in labour . . . . .	206	<b>34. Maternal collapse . . . . .</b>	<b>223</b>
Investigating the abnormal cardiotocograph . . . . .	206	Introduction . . . . .	223
<b>32. Operative interventions in labour . . . . .</b>	<b>209</b>	The collapsed patient . . . . .	223
Episiotomy . . . . .	209	Causes of maternal collapse . . . . .	223
Perineal repair . . . . .	209	<b>35. Maternal death . . . . .</b>	<b>229</b>
Ventouse delivery . . . . .	210	Introduction . . . . .	229
Forceps delivery . . . . .	211	Mothers and Babies: Reducing Risk through Audit and Confidential Enquiries across the UK . . . . .	229
Caesarean section . . . . .	212	Definitions . . . . .	229
<b>33. Postnatal complications . . . . .</b>	<b>215</b>	Causes of maternal death . . . . .	230
Postpartum haemorrhage . . . . .	215	<b>Self-assessment . . . . .</b>	<b>233</b>
Differential diagnosis . . . . .	215	<b>Single best answer questions (SBAs) . . . . .</b>	<b>235</b>
History . . . . .	215	<b>Extended-matching questions (EMQs) . . . . .</b>	<b>243</b>
Examination . . . . .	216	<b>SBA answers . . . . .</b>	<b>259</b>
Investigations . . . . .	217	<b>EMQ answers . . . . .</b>	<b>265</b>
		<b>Index . . . . .</b>	<b>271</b>
