

Contents

SECTION ONE

Professional Competencies

- 1 Evolution of Perianesthesia Care, 1
- 2 Standards, Legal Issues, and Practice Settings, 12
- 3 Safety, Quality Improvement, and Regulatory and Accrediting Agencies, 32
- 4 Research and Evidence-Based Practice, 54

SECTION TWO

Preoperative Assessment Competencies

- 5 Preoperative Evaluation, 69
- 6 Preexisting Medical Conditions, 97
- 7 Transcultural Nursing and Alternative Therapies, 119
- 8 The Mentally and Physically Challenged Patient, 157

SECTION THREE

Life Span Competencies

- 9 The Pediatric Patient, 193
- 10 The Adolescent Patient, 252
- 11 The Adult Patient, 269
- 12 The Geriatric Patient, 283

SECTION FOUR

Perianesthesia Competencies

- 13 Fluid, Electrolyte, and Acid-Base Balance, 305
- 14 Anesthesia, Moderate Sedation/Analgesia, 330
- 15 Thermoregulation, 402
- 16 Postoperative Nausea and Vomiting, 421
- 17 Pain and Comfort, 436
- 18 Perianesthesia Complications, 466

SECTION FIVE

System Competencies

- 19 Respiratory, 491
- 20 Cardiovascular, 562
- 21 Neurological, 642
- 22 Endocrine, 717
- 23 Gastrointestinal, 740
- 24 General Surgery, 768
- 25 Hematology, 820
- 26 Renal/Genitourinary, 839
- 27 Obstetrics and Gynecology, 890
- 28 Ophthalmology, 958
- 29 Oral/Maxillofacial/Dental, 980
- 30 Orthopedics and Podiatry, 995
- 31 Otorhinolaryngology, 1044

- 32** Peripheral Vascular Disease, 1073
- 33** Plastic and Reconstruction, 1110
- 34** Bariatrics, 1147
- 35** Trauma, 1179
- 36** Interventional Radiology and Special Procedures, 1203

SECTION SIX

Education and Discharge Competencies

- 37** Postoperative/Postprocedure Assessment, 1220
- 38** Discharge Criteria, Education, and Postprocedure Care, 1272

APPENDIXES

Appendix A: Certification of Perianesthesia Nurses: The CPAN® and CAPA®
Certification Programs, 1286

Appendix B: Testing Concepts and Strategies, 1294

Index, 1302
