Part I Physiology and Development of Enteric Neuromuscular System and Gastrointestinal Motility

1 Introduction to Gut Motility and Sensitivity	3
Christophe Faure, Nikhil Thapar, and Carlo Di Lorenzo	
2 Development of the Enteric Neuromuscular System	9
Tiffany A. Heanue and Alan J. Burns	
3 Development of Gut Motility	21
Elizabeth A. Beckett, Heather M. Young, Joel C. Bornstein, and Sudarshan R. Jadcherla	
4 Visceral Sensitivity	39
Christophe Faure and Franziska Righini Grunder	
5 The Microbiome in Neurogastroenterology	53
Geoffrey A. Preidis, Bruno P. Chumpitazi, and Robert J. Shulman	
6 Integration of Biomedical and Psychosocial Issues in Pediatric Functional Gastrointestinal and Motility Disorders	71
Miranda A.L. van Tilburg	

Part II Motility and Sensory Testing

7 Esophageal Manometry	83
Rossella Turco and Annamaria Staiano	
8 Antroduodenal Manometry	93
Efstratios Saliakellis, Anna Rybak, Nikhil Thapar, and Osvaldo Borrelli	
9 Colonic Manometry	107
Desale Yacob and Carlo Di Lorenzo	
10 Anorectal Manometry	117
Claire Zar-Kessler and Jaime Belkind-Gerson	
11 Assessment of Feeding and Swallowing Disorders	129
Nathalie Rommel	
12 Esophageal pH and Impedance Monitoring	135
Eric Chiou and Rachel L. Rosen	
13 Barostat and Other Sensitivity Tests	149
Christophe Faure	
14 Radionuclide Gastrointestinal Transit Tests	155
Lorenzo Biassoni, Marina Easty, and Osvaldo Borrelli	

- 15 Electrogastrography, Breath Tests, Ultrasonography, Transit Tests, and SmartPill** 169
Ricardo A. Arbizu and Leonel Rodriguez
- 16 Autonomic Nervous System Testing** 181
Gisela Chelimsky and Thomas C. Chelimsky

Part III Disorders of Digestive Motility

- 17 Pathology of Enteric Neuromuscular Disorders** 191
Raj P. Kapur
- 18 Genetics of Motility Disorders: Gastroesophageal Reflux, Triple A Syndrome, Hirschsprung Disease, and Chronic Intestinal Pseudo-Obstruction** 211
Jonathan M. Gisser and Cheryl E. Gariepy
- 19 Allergy and Neurogastroenterology** 223
Osvaldo Borrelli, Roberto Conti Nibali, and Nikhil Thapar
- 20 Swallowing and Oropharyngeal Disorders** 235
Daniel R. Duncan and Rachel L. Rosen
- 21 Esophageal Achalasia** 243
Ann Aspirot
- 22 Other Esophageal Motility Disorders** 253
Hayat Mousa
- 23 Gastric Motor Disorders** 261
John M. Rosen and Miguel Saps
- 24 Pediatric Chronic Intestinal Pseudo-obstruction** 273
Efstratios Saliakellis, Christophe Faure, and Nikhil Thapar
- 25 Hirschsprung Disease** 291
Robert O. Heuckeroth
- 26 Motility Problems in Developmental Disorders: Cerebral Palsy, Down Syndrome, Williams Syndrome, Autism, Turner's Syndrome, Noonan's Syndrome, Rett Syndrome, and Prader-Willi Syndrome** 303
Massimo Martinelli and Annamaria Staiano
- 27 Familial Dysautonomia and Mitochondrial Disorders** 311
Massimo Martinelli and Annamaria Staiano

Part IV Motility Disorders After Surgery and Developmental Anomalies of the Enteric Neuromuscular System Secondary to Anatomical Malformations

- 28 Esophageal Atresia** 317
Franziska Righini Grunder and Christophe Faure
- 29 Anorectal Malformations** 323
Ann Aspirot
- 30 Motility After Small Bowel and Colonic Surgery** 333
Roberto Gomez and John E. Fortunato

31 Gastric Function After Fundoplication.....	343
Samuel Nurko	
Part V Functional Gastrointestinal Disorders	
32 Rome Criteria for Functional Gastrointestinal Disorders	351
Samuel Nurko and Carlo Di Lorenzo	
33 Infant Regurgitation and Pediatric Gastroesophageal Reflux Disease.....	355
Yvan Vandenplas	
34 Infant Colic	369
Valerie Sung and Ian St James-Roberts	
35 Functional Diarrhea in Toddlers (Chronic Nonspecific Diarrhea)	381
Ernesto Guiraldes and José Luis Roessler	
36 Functional Dyspepsia.....	385
John M. Rosen and Miguel Saps	
37 Irritable Bowel Syndrome.....	399
Jasmeet S. Mokha and Jeffrey S. Hyams	
38 Functional Abdominal Pain	411
Manu R. Sood and Katja Kovacic	
39 Cyclic Vomiting Syndrome: Comorbidities and Treatment.....	423
B.U.K. Li and Katja Kovacic	
40 Aerophagia.....	433
Carlo Di Lorenzo	
41 Rumination Syndrome.....	437
Anthony Alioto and Carlo Di Lorenzo	
42 Functional Constipation in Children	445
Ilan J.N. Koppen and Marc A. Benninga	
43 Fecal Incontinence in Children.....	459
Ilan J.N. Koppen and Marc A. Benninga	
Part VI Treatments	
44 Drugs Acting on the Gut: Prokinetics, Antispasmodics, Laxatives	469
Aileen F. Har and Joseph M.B. Croffie	
45 Drugs That Work in the Brain.....	489
Paul E. Hyman and Rami Arrouk	
46 Electrical Stimulation of the GI Tract.....	499
Steven Teich	
47 Cognitive Behavioral Therapy for Functional Gastrointestinal Disorders	507
Miranda A.L. van Tilburg	
48 Complementary and Alternative Treatments for Motility and Sensory Disorders.....	515
Arine M. Vlieger and Marc A. Benninga	

49 Cellular-Based Therapies for Paediatric GI Motility Disorders	523
Ryo Hotta, Dipa Natarajan, Alan J. Burns, and Nikhil Thapar	
50 Chronic Intestinal Pseudo-obstruction Syndrome: Surgical Approach and Intestinal Transplantation	533
Olivier Goulet and Sabine Irtan	
Index.....	541
