Background What we are ?

- And we, as simulation educators in TSERC, especially have focused on the clinical approach for the patient using the physical and virtual patient simulator in our lessons.
- As well as usual activities, we must share some strategies for the better outcome of the students as well as the patients.
- About simulation, IMSH is great opportunity for me and is for The Simulation Educators in Japan.
- และเราในฐานะนักการศึกษาการจำลองใน TSERC โดยเฉพาะอย่างยิ่งได้มุ่งเน้นไปที่แนวทางทางคลินิกสำหรับผู้ป่วยโดยใช้เครื่องจำลองผู้ป่วยทางกายภาพและเสมือนจริงในบทเรียนของเรา เช่นเดียวกับกิจกรรมปกติเราต้องแบ่งปันกลยุทธ์บางอย่างเพื่อผลลัพธ์ที่ดีขึ้นของนักเรียนและผู้ป่วยเกี่ยวกับการจำลอง IMSH เป็นโอกาสที่ดีสำหรับฉันและสำหรับนักการศึกษาการจำลองในญี่ปุ่น

Background What we are ?

Priorities

1. State of Simulation in Asia Pacific
 1. Asia Pacific inventory of current state of Simulation in workforce development and patient safety and outcomes (Where are we now)
 2. Current gaps in workforce development and patient safety and outcomes (Where do we need to go)
 3. White paper/summary of results and recommendations (Where do we need to go)
2. Create a messaging strategy and plan for advocacy to Asia Pacific members
 1. Goals/mission/vision (the why)
 2. Collaterals to include videos (success stories, what it is not), outline document, etc., on advocacy
3. Training and Toolkit
 1. What is advocacy?
 2. To whom do we advocate? (Targeted advocacy)
 3. Courses and webinars
