INTRODUCTION

○○○○

WHAT IS IMRC?

- International Medical Student Research Conference (IMRC) is the international conference of medical student research organized by Phramongkutklao College of Medicine.
- The highlight of this conference is the Medical Students' Research Competition (MSRC).
- The MSRC is a forum for undergraduate medical students to showcase their research, exchange ideas.

OBJECTIVE

To encourage and inspire medical student all around the world in medical research and become a space for students and experts to exchange their knowledge and experiences.

OBJECTIVE

To encourage and inspire medical student all around the world in medical research and become a space for students and experts to exchange their knowledge and experiences.

PLATFORM

Online

via conference system
online platform

Hybrid Conference

Onsite

at PCM
Bangkok, Thailand

ATTENDANCE

46

THAI AND INTERNATIONAL MEDICAL
FACULTIES AND INSTITUTES

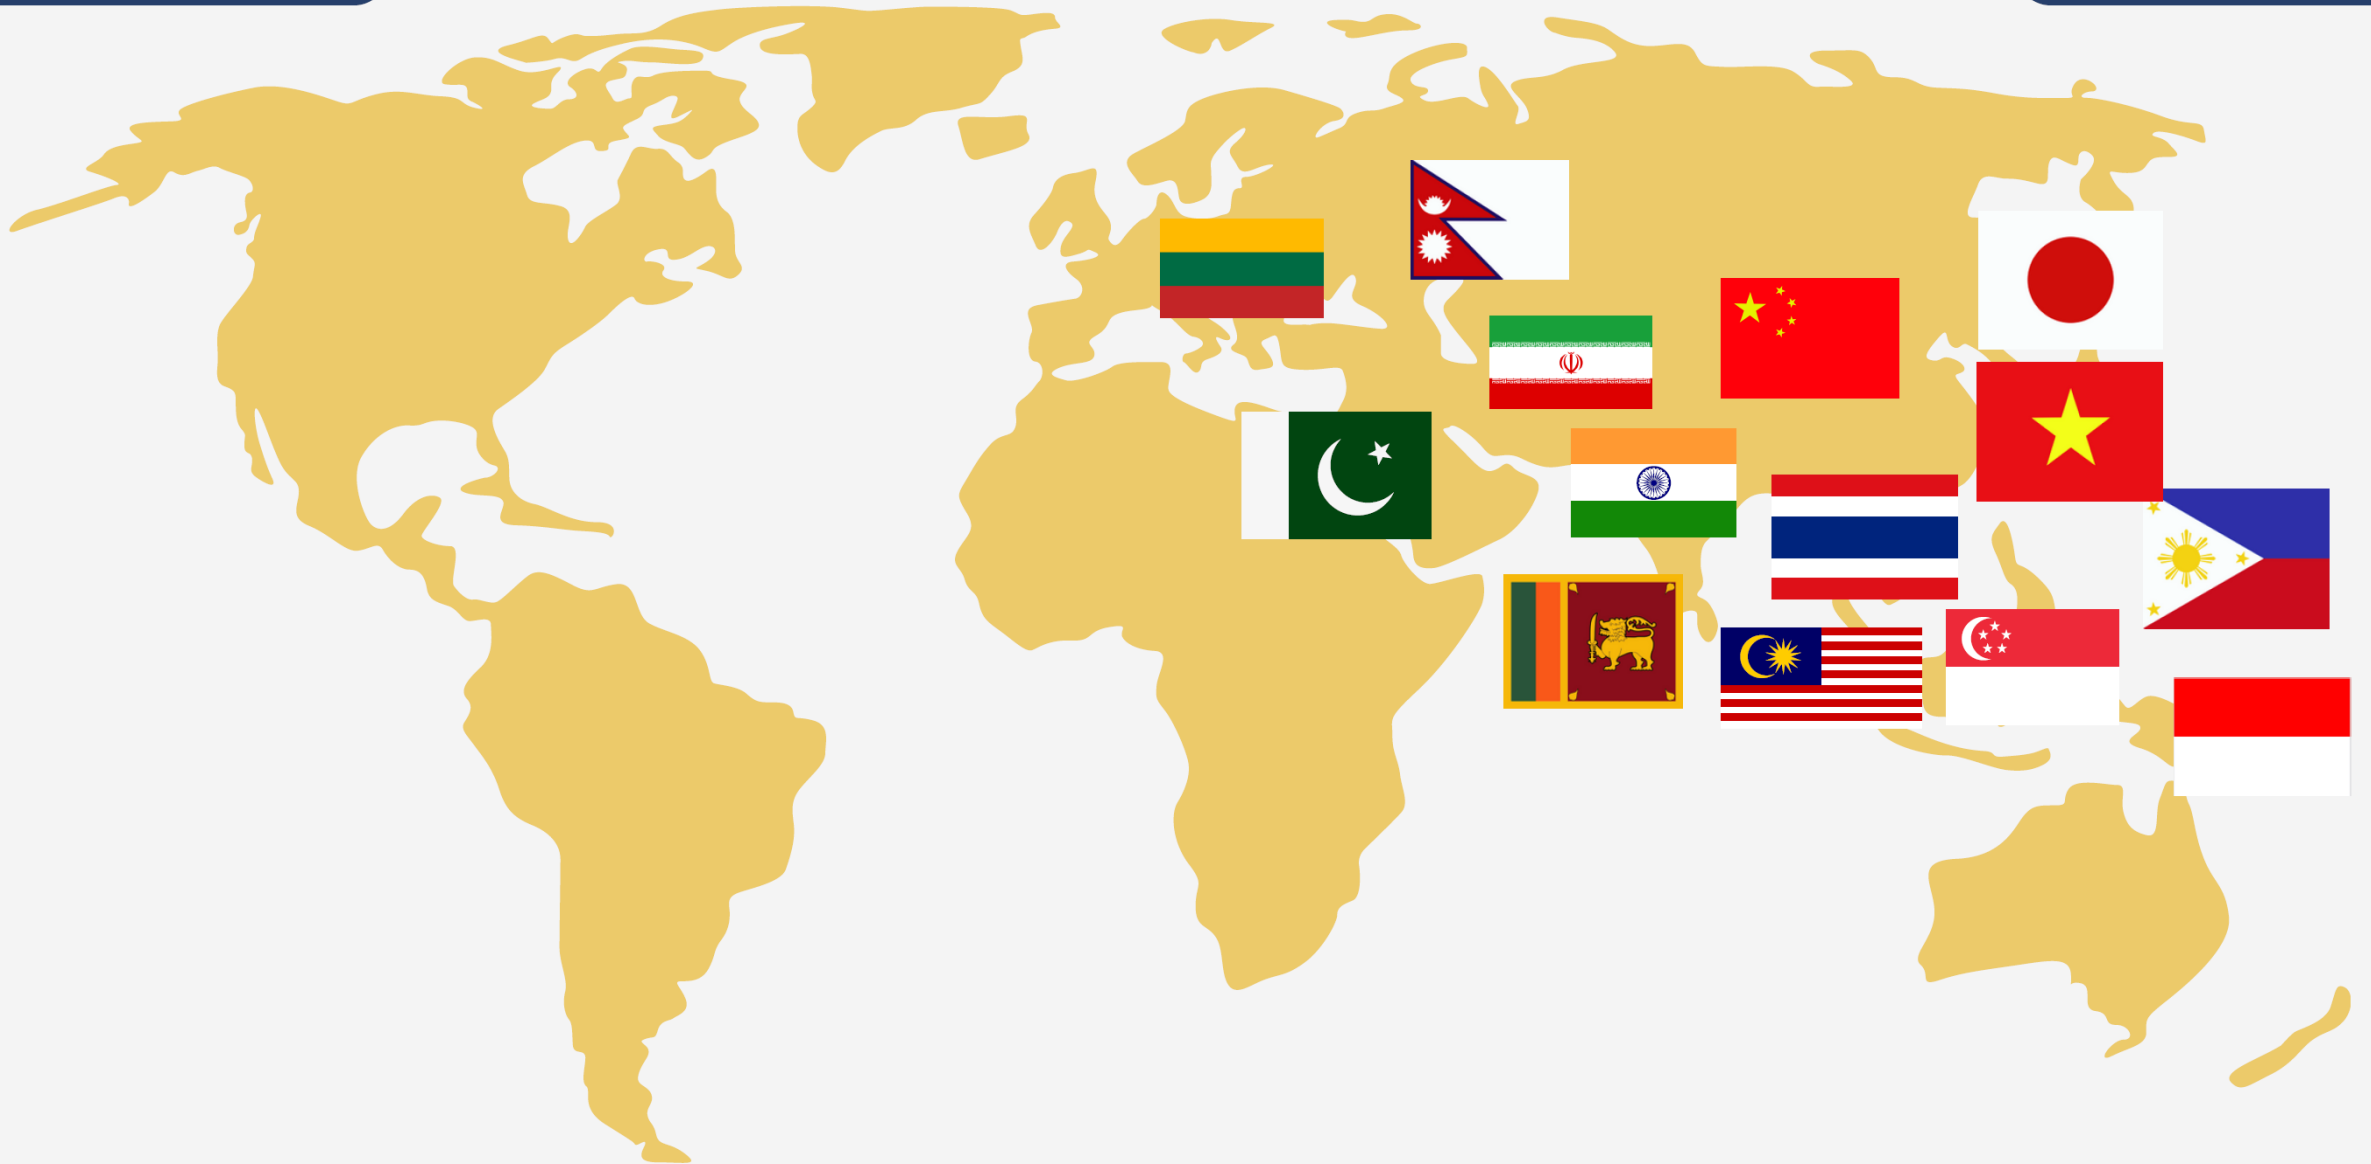

156

SUMMITTED ABSTRACTS

MORE THAN 500

DELEGATES FROM BOTH ONLINE AND ONSITE

ATTENDANCE

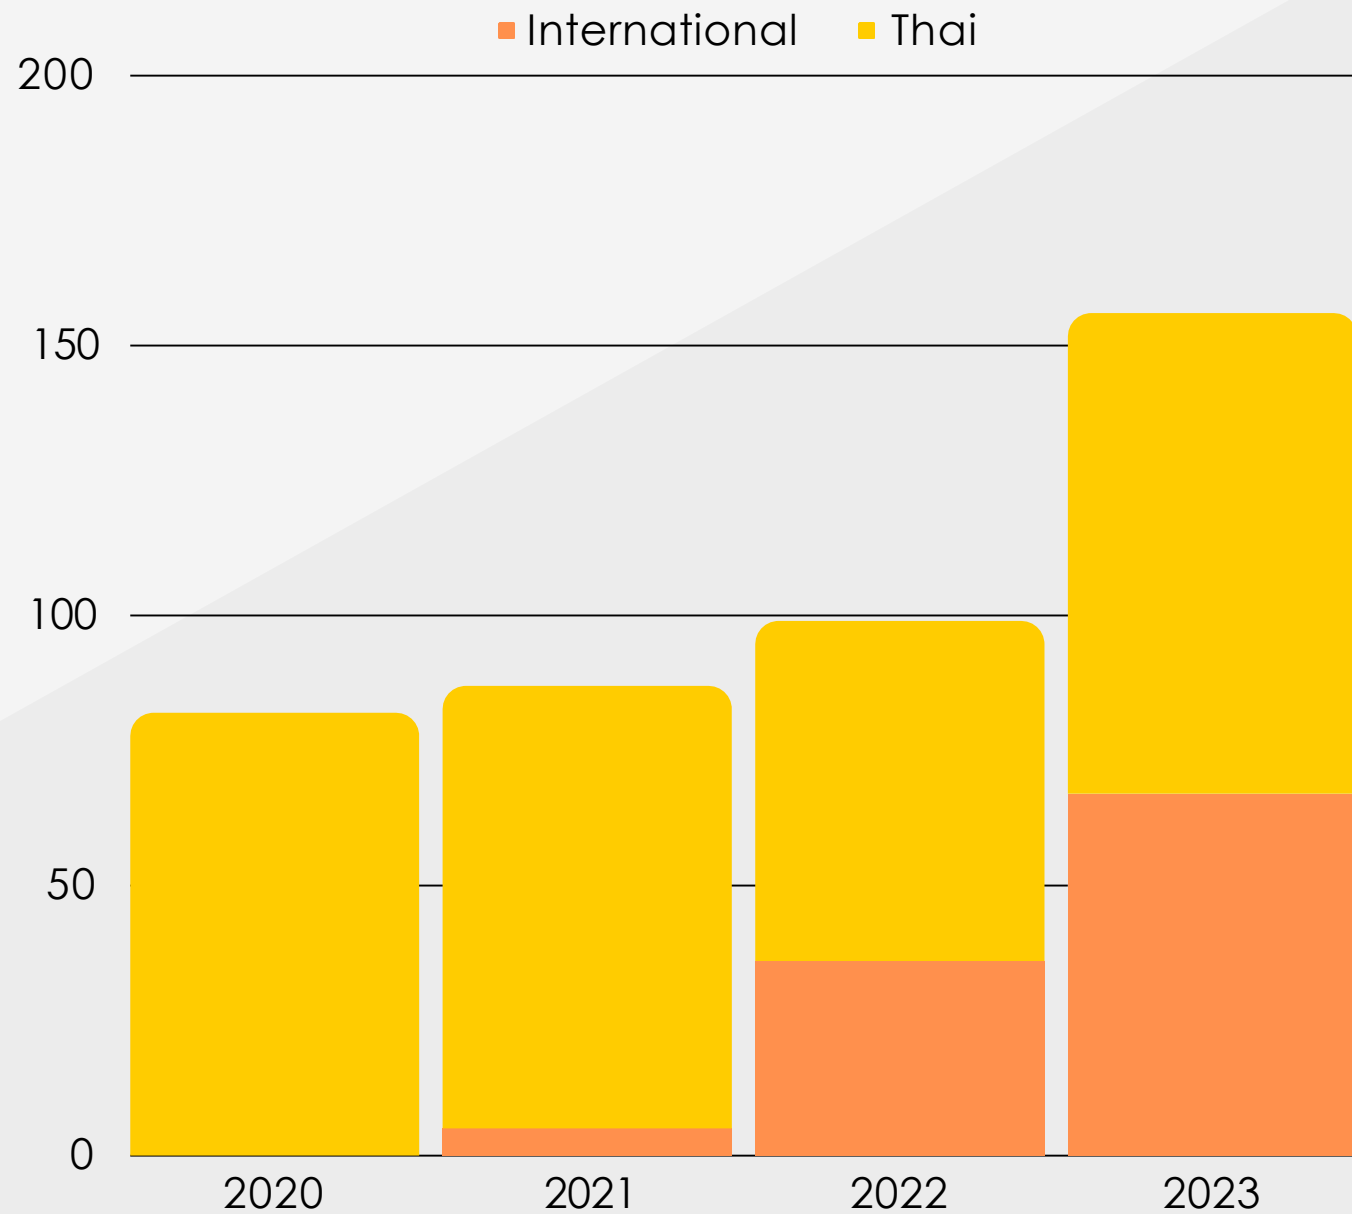

ATTENDANCE

- **Thailand**
- **China**
- **India**
- **Indonesia**
- **Singapore**
- **Lithuania**
- **Malaysia**
- **Sri Lanka**
- **Vietnam**
- **The Philippines**
- **Japan**
- **Iran**
- **Nepal**

ATTENDANCE

Submitted abstracts

COMPETENCY

in research and
communication

BENEFITS

CONNECTION

between plethora of
candidate in IMRC 2023

OPPORTUNITY

to show your research

AWARD

IMRC Trophy and scholarship

RESEARCH H COMPETI TION

- Oral Presentation
- E-poster Presentation
- Popular vote

RESEARCH COMPETITION

- **Oral Presentation**
- **E-poster Presentation**
- **Popular vote**

The Winner of Oral Presentations

Basic Science in
Medicine Research

Medical Educational
Research

Public health and
Epidemiology Research

Clinical and Translation
Research

Systematic Review and
Meta-analysis Research

**Final Round
Competition**

Her Royal Highness Princess
Maha Chakri Sirindhorn's trophy
