

Creating bibliographic reference with EndNote

Presented by

Ticomporn Luangwattanawilai (M.Sc. Pharmacology) Research Assistant Surgical Research Unit, Department of Surgery Faculty of Medicine Ramathibodi Hospital, Mahidol University <u>Email: ticomporn.lua@mahidol.edu</u>

EndNote : ทิฆัมพร เหลืองวัฒนชัย (24/10/64)

- What is EndNote?
- How to download and install
- Creating library folder
- Journal term list
- How to input data
- Find full text & attach PDF file
- Creating manuscript

What is EndNote?

- Bibliographic management software
- Online research tool

search online bibliographic databases and retrieve the references directly into EndNote

• Reference and image database

Storing, managing and search for bibliographic references in your private reference library

• Bibliographic and manuscript maker

How Endnote works

Book, Journal, Research Article, E-database, etc.

EndNote : ที่ฆัมพร เหลืองวัฒนชัย (24/10/64)

1. http://softwaredownload.mahidol/

Log in by using Mahidol mail
 Select Application

- Find full text & attach PDF file
- Creating manuscript

Creating library folder

- Each Endnote library contain 1 library file (*.enl) and 1 data folder (keep the attached PDF and picture files)
- Creating new library file in a folder and copy the whole folder if needed to

make sure that you do not loose anything.

Reference listigenet shaws the individual (24) and references stored in your Endnote library, also known as library records

- What is EndNote?
- How to download and install
- Creating library folder
- Journal term list
- How to input data
- Find full text & attach PDF file
- Creating manuscript

Journal term list

- Journal term list is list of journal name in full and abbreviation form
- These list are used for making correct journal name in reference (needed for output style that used journal name in abbreviation form <u>i.e Vancouver</u>)
- Help EndNote works correctly find out the duplicate reference
- Define the journal term list only once but have to be done in every library file

Web of Science

Clarivate

*give full name

Journal term list

Before

Vancouver Copy citation 1. Chen X, Liao BY, Cheng L, Peng X, Xu X, Li YQ, et al. The microbial coinfection in COVID-19. Applied Microbiology and Biotechnology. 2020;104(18):7777-85.

After

Vancouver Style use the abbreviated journal name
