

Platelet and Diseases (Tentative Program 5th August 2018)

22/1/2018

Time	Topic
08.00-08.15	Register
08.15-08.30	Opening remark
08.30-10.00	Symposium 1: Basic approach to platelet disorder
08.30-08.55	Megakaryopoiesis and approach to thrombocytopenia (Assist.Prof. Rungrote Natesirinilkul)
08.55-09.20	Developmental laboratory diagnosis of platelet disorder (Assoc.Prof. Nongnuch Sirachainan)
09.20-09.45	Immature platelet fraction in thrombocytopenia (Prof. Ampaiwan Chuansumrit)
09.45-10.10	Coffee break
10.10-12.00	Symposium 2: Congenital platelet disorder
10.10-11.10	Congenital macrothrombocytopenia: Etiology and diagnosis (Prof. Shinji Kunishima)
11.10-11.35	X-linked thrombocytopenia (Assoc.Prof. Darintr Sosothikul)
11.35-12.00	Congenital platelet dysfunction (Assist.Prof. Patcharee Komwilaisak)
12.00-13.00	Lunch Symposium: Immune thrombocytopenia (Assoc.Prof. Bunchoo Pongtanakul)
13.00-14.30	Symposium 3: Platelet preparation and transfusion
13.00-14.00	Platelet production from induced pluripotent stem cells (Prof. Koji Eto)
14.00-14.30	Platelet transfusion and refractoriness (Assoc.Prof. Pimpun Kitpoka)
14.30-15.00	Coffee break
15.00-16.15	Symposium 4: Acquired platelet disorder
15.00-15.25	Acquired platelet dysfunction with eosinophilia (Assist.Prof. Thirachit Chotsamphancharoen)
15.25-15.50	Thrombotic microangiopathy: DIC/TTP/HUS (Assist.Prof. Chanchai Traivaree)
15.50-16.15	Neonatal thrombocytopenia (Assist.Prof. Somjai Kanchanapongkul)
