Profile

Name : Chonlada Krutsri

Academic degree : Assistant Professor

ชื่อ : ผู้ช่วยศาสตราจารย์ แพทย์หญิง ชลลดา ครุทศรี

Nationality : Thai

Office address : Department
of Surgery, Faculty of Medi-
cine, Ramathibodi Hospital,
Mahidol University, 270
Rama VI Road, Rajthevee,
Bangkok, Thailand

Work Experience

Phrajomkiao Hospital, Petchaburi, Thailand, Intern, 2010

Kangkrajarn Hospital, Petchaburi, Thailand, Intern, 2011

**Huahin Hospital, Prachurphirikhun, Thailand, General Surgeon
July 2015-February 2016**

**Ramathibodi Hospital, Bangkok, Thailand, Instructor, Surgeon
March 2016-Present**

- Provided care for Trauma Surgery, Acute Care Surgery, and
Surgical Endoscopy in a tertiary care University Hospital

- Advanced Trauma Life Support (ATLS) Instructor

- Instructor and supervised of surgical residents for basic endo-
scopic procedures (EGD, Colonoscope, and basic intervention) and ad-
vanced endoscopic imaging for detecting and management early GI can-
cer

**Workshop “Ultrasound learning for acute care surgeon”, Ra-
mathibodi Hospital, Mahidol University, co-ordinator, moderator,
and instructors, 28 January 2017**

**Workshop “Ultrasound learning for acute care surgeon 2”, Ra-
mathibodi Hospital, Mahidol University, co-ordinator, moderator,
and instructors, 28 June 2019**

**First Joint meeting Nagoya-Ramathibodi Hospital Gastrointestinal
endoscopic center, Theme : Diagnosis and basic ESD, Bangkok, co-
ordinator and moderator, 15 January 2019**

**Endoscopic submucosal dissection (ESD) complication, The Royal
Thai College of Surgeon, Pattaya, Lecturer, 13 July 2019**

Surgical Endoscopy Education : Colonoscopic day, Olympus T-TEC, Bangkok, co-ordinator and instructor, 14 September 2019

Tips and Technique of ESD, Thailand Chapter, International Association of Surgeons Gastroenterologist and Oncologist(IASGO), Centara at Central World, Bangkok, Lecturer, 4 October 2019

Workshop E-FAST and Emergency abdominal surgery: What EP should know, Learning Emergency Imaging, Thai Emergency Imaging group, Suphanburi, lecturer and instructor, 10-11 October 2019

Colonic stent: When, Why, and How? Therapeutic day : GI therapeutic dilemma, Greenery resort, Khao Yai, Lecturer, 1 November 2019

Workshop Nagoya-Ramathibodi-Siriraj Endoscopic Surgery: 2E procedures for early GI cancer, Bangkok, co-ordinator and moderator, 7-8 November 2019

ATLS Instructor for student course, Instructor, 11-13 December 2019, 20-21 October 2020, 9-11 November 2020, Bangkok, Thailand

5th Thailand ANBIIG Workshop (Webinar), Faculty, 27 June 2020 and 11 July 2020

Laparoscopic approach in peptic ulcer perforation, Lectuer, Precongress Annual meeting of RCST 2020, November 2020, Bangkok, Thailand

ATLS student course, Instructor, 9-11 November 2020, Bangkok, Thailand

Education

Ramathibodi Hospital, Mahidol University, Bangkok, Doctor of Medicine 2004-2009

Advanced Trauma Life Support, participant, 2011

National Cancer Center of Japan (NCC), attendance of Gastric Surgery and Colorectal Surgery, August 2014

Ramathibodi Hospital, Mahidol University, Bangkok, Thailand,
General Surgery Residency Program 2011-2015

Department of Gastroenterology, Kobe University Graduate School of Medicine, *research fellow of Advance therapeutic endoscopy and Imaging of early stage Gastrointestinal cancer, 1 December 2017 - 30 May 2018, Kobe, Japan*

Department of Endoscopy, Kitasato University School of Medicine, *research fellow of EUS, Therapeutic EUS, and ERCP, 1 June 2018 - 30 November 2018, Kanagawa, Japan*

Second Phuket International Symposium in Colorectal disease, *participant, December 2015*

First basic upper GI laparoscopic training, *attendance and hands-on work shop, April 2016*

2nd Japan-Thailand Endoscopic Joint Meeting, *attendance, 1 December 2016, Bangkok, Thailand*

The sixth Kobe International endoscopy Hands-on-Seminar : Advanced Course for ESD, *hands-on training, 23-25 June 2017*

Pre-Congress Annual meeting of RCST 2017 : Emergency in GI endoscopy, *attendance, 7 July 2017*

“The Cutting Edge” Workshop, *participant, hands on, 10 November 2017, Singapore.*

Kinki Live Endoscopy 2018, *attendance, 24 March 2018, Osaka, Japan*

Kitasato EUS Training Seminar, *attendance, 2-3 June 2018, Kanagawa, Japan*

Japan Digestive Disease Week 2018 (JDDW), *attendance, 1-4 November 2018, Kobe, Japan*

6th AEG Kitasato Train-The-Trainer course, attendance, 5-9 November 2018, Kanagawa, Japan

ATLS Instructor course, participants, 25-27 November 2019, Bangkok, Thailand

Research

Risk factor of Pancreatic fistula after Pancreaticoduodenectomy in Ramathibodi Hospital : Chonlada Krutsri, Savit Kositchaiwat, Somkit Mingphudhi, Narongsak Rungsakulkij, Pongsatorn Tangtawee, Paramin Muangkaew, free paper presented at RCST 29th meeting "Towards excellence in surgery 2015 and beyond" 4-6 March 2015

Impact of an Acute Care Surgery Service on Timeliness of Care at Ramathibodi Hospital (2016): Chonlada Krutsri, Preeda Sumritpradit, Pongsasit Singhatas, Tharin Thampongsa

Advantages of Routine Upper-Gastrointestinal Endoscopy in Positive Faecal Occult Blood Tests with Negative Colonoscopy Results (2017) : Chonlada Krutsri, Chairat Supsamutchai, Pitichote Hiranyatheb, Pongsasit Singhatas, Tharin Thampongsa, Jakrapan Jirasi-ritham

Pancreatic granular cell tumor diagnosed by endoscopic ultrasound-guided fine needle aspiration biopsy(2019) : Chonlada Krutsri, Tomohisa Iwai, Mitsuhiro Kida, Hiroshi Imaizumi, Toshihiko Kawano, Masayoshi Tadehara, Masafumi Watanabe, Kosuke Okuwaki, Hiroshi Yamauchi, Koizumi Wasaburo

Current status of endoscopic retrograde cholangiopancreatography in patients with surgically altered anatomy(2019) : Chonlada Krutsri, Mitsuhiro Kida, Hiroshi Yamauchi, Tomohisa Iwai, Hiroshi Imazumi, Wasaburo Koizumi

Feasibility of endoscopic submucosal dissection of lesions at anastomosis site post-colorectal surgery (2019) : Chonlada Krutsri, Takashi Toyonaga, Tsukasa Ishida, Namiko Hoshi, Toshiko Nakano, Hiroshi Takihara, Shinichi Baba, Nelson Tomio Miyajima, Yuzo Kodama

Successful treatment of an esophageal perforation that occurred during endoscopic submucosal dissection for esophageal cancer using polyglycolic acid sheet and fibrin glue (2018) : *Umaporn*

Seehawong, Yoshinori Morita, Yoshiko Nakano, Takehiro Iwasaki, Chonlada Krutsri, Hiroya Sakaguchi, Tomoya Sako, Shinwa Tanaka, Takashi Toyonaga, Eji Umegaki, Yuzo Kodama

Prospective Cohort Study of Serum Selenium in Surgical ICU patients(2017) : *Pongsasit Singhatas, Areeporn Sangcakul, Preeda*

Sumpritpradit, Tharin Thampongsa, Chonlada Krutsri, Panuwat Lertsithichai

The FAST accuracy in major pelvic fracture for decision making of abdominal exploration (2020): systematic review and meta-analysis, *Chunlaches Chaijareenont¹, Chonlada Krutsri², Preeda*

Sumpritpradit², Pongsasit Singhatas², Tharin Thampongsa², Panuwat Lertsithichai¹, Pattawia Choikrua³, Napaphat Poprom¹

Traumatic blunt-force renal artery injury in a diseased horseshoe kidney with successful embolization to treat active bleeding (2020):

a case report and literature review, *Chonlada Krutsri, Pongsasit Singhatas, Preeda Sumpritpradit, Chunlaches Chaijareenont, Wit Viseshsindh, Tharin Thampongsa, Pattawia Choikrua*

Successful advanced third-space endoscopic surgery by per-oral endoscopic myotomy (Z-POEM) for Zenker's diverticulum (2020): A case report and review of literature, *Chonlada Krutsri, Chainarong*

Phalanusitthepha, Pitichote Hiranyatheeb, Preeda Sumritpradit, Somchai Leelakusolvong, Asada Methasate, Pongsasit Singhatas, Thanida Janbavonkij

Morbidity, mortality, and risk factors of emergency colorectal surgery among older patients in the Acute Care Surgery service (2020)

: A retrospective study, *Chonlada Krutsri, Preeda Sumpritpradit, Pongsasit Singhatas, Tharin Thampongsa, Samart Phuwapraisirisan, Goragoch Gesprasert, Jakrapan Jirasiritham, Pattawia Choikrua*

Impact of the COVID-19 pandemic on the outcome, morbidity, and mortality of acute care surgery patients: A retrospective cohort

study, *Chonlada Krutsri, Pongsasit Singhatas, Preeda Sumpritpradit, Tharin Thampongsa, Samart Phuwapraisirisan, Goragoch Gesprasert, Jakrapan Jirasiritham*
